Signature of the officer commanding the Company John Glasgow Capt.

Signature of the Commanding Officer of the Battalion in all cases where the Company is formed in Battalion. W A Skinner Lt Col

NOTE 1.—This ACQUITTANCE ROLL must be signed, *in duplicate*, by every man of the corps, and duly witnessed: one copy will be kept by the Captain as his own voucher; and the second copy will be forwarded to the District Staff Officer, who will have it examined and certified on the Docket, and then forward it to the Militia Department at Ottawa, where it *must* be received within *two months* after the date of the issue of the money to the Captain.

2.—In all cases of a Volunteer signing for another as his attorney, a regular power of Attorney must be attached to the Roll; and in cases where neither the signature of the Volunteer, nor his Attorney, can be procured, the amount must be paid to the Bank of Montreal, and the Deposit Receipt therefor attached to the Roll. It will be the special duty of the District Paymaster to see that this order is carried out in all cases *before* sending the Roll to Ottawa.

3.—One Drill of 3 hours, or two Drills of 1½ hours each, counts one day—but no more than one day's drill can be performed in any one day.
