DEPUTY ADJUTANT GENERAL.

Date 22-8-18.

4. Where it is possible to obtain it, a statement from the injured man will also be forwarded. This, however, should not be used as evidence against him in any subsequent disciplinary proceedings.

Special Instructions as to Evidence in Cases of Self-Inflicted Wounds.

5. In these cases the statements mentioned in paragraphs 2 and 3 above should bring out all material points, *e.g.*, statements to the effect that the witness was with the accused standing on the fire step (or sitting in a dug-out); that the accused was cleaning his rifle; position of safety catch, magazine, etc., if known; muzzle of rifle on toe of foot; hand on muzzle; that accused pulled trigger; that the rifle was afterwards examined and an empty cartridge case was found in chamber; that accused was seen to be wounded; what accused said ("I have shot myself," "I did not know it was loaded," etc.).

6. A soldier is specially trained in the safe use of his rifle and revolver, and evidence of any neglect of the ordinary precautions as to their handling in such cases usually has considerable bearing on the question of negligence. In cases of wilful self-wounding the fullest possible evidence should be obtained; unless the evidence is conclusive this charge should not be used. The charge will therefore usually be laid under sec. 40 Army Act—"Conduct to the prejudice of good order and military discipline in wounding himself through negligently handling a rifle," and an alternative charge to this effect should be made, even if the accused is to be tried under section 18 for wilful maiming.

The Court is of the opinion that No. 142440 Pte. LANG, J.S., 2nd Canadian Infantry Battalion was accidentally injured due to the careless handling of a revolver between Private SUTHERLAND and Private LANG.

President ..... Capt

Members. W.P. Franklin Lieut

Robt. H. Hopkins Lieut

I am of the opion that the injuries which caused the death of #142440 Pte Lang J.S. 2nd Canadian Inf. Battalion were purely accidental and that Pte Sutherland had no idea that the revolver was loaded.

J.L. McLaughlin Lieut. Col.
Commanding 2nd Can. Battalion

I concur in the finding of the Court.

I have already recommended in A.F.W.3428 herein that Pte. Sutherland be tried by Court Martial.
