No. 1 Neurological report:

This man has been on the out-patients' strength of this hospital for some months. He does not localize his pain in the course of the sciatic nerve at all. He has no atrophy, and no changes in the knee or ankle jerks. I would recommend that he be sent to an orthopaedic hospital for a report on his feet, both of which are flat. There is no necessity for him to be kept longer in this institution, for observation.

No. 2 Orthopaedic report:

He has marked falling of the arches of feet. He was ordered and is now wearing Whitman plates. I ordered him a knee support on account of a complaint of weakness and a slight laxity of joint.

Memorandum to D.N.S. & D.M:

The line of argument in this case seems to be sound.

Lockington is entitled under decision of 1918 (page 34 of file) to lodging and compensation whilst undergoing medical treatment.

He commenced medical treatment on 26th November, 1917. He has only been paid lodging and compensation from 25th December,1917; he is,therefore, entitled to $31.50 lodging and compensation for the period 26th November to 25th December,1917.

He cannot be considered entitled to lodging and compensation whilst on leave prior to receiving medical treatment.

Propose to forward $31.50 to him and tell him that he is not entitled to lodging and compensation whilst on leave prior to receiving hospital treatment as an out-patient.

MEMORANDUM TO THE SECRETARY:

Re: W.E. Lockington, Ord.Smn,V.R.3653, R.N.C.V.R. (Overseas Division)

Re: P01119 Claim for Subsistence Allowance.

The particulars of this case are as follows:-

Lockington was discharged "Invalided" from H.M.S. "VICTORY" on 10th July 1917 and on arrival in Canada was borne on the ledgers of the R.N.C.V.R. Overseas Division at Headquarters for travelling time and 28 days Full Pay Leave under C.N.O. 78 of 1st May 1917. At the expiration of this leave he was discharged to H.M.C.S. "NIOBE" in which ship he was borne for "Full Pay Leave Awaiting Pension" from 28th August 1917 to the date of his being granted Pension and final discharge from the Naval Service viz: 15th September 1918 (page 36).

Whilst awaiting the decision of the Pension Board this man was, at his own request, allowed to go home at Toronto on the 28th August 1917, full pay being continued but not Provisions or Lodging Allowances.

Apparently at this time he was not in need of medical attention and it was not until about 9 months afterwards that the Department was informed by the G.W.V.A., Ottawa, that he had been receiving treatment as an outpatient, (pages 33 & 40) in the College Military Hospital, Toronto, from the 26th November 1917 (page 22).

On the 16th May 1918 (page 20) he was informed by this Department, through the G.W.V.A., that as he was on leave at his own request, to await Pension, Lodging and Compensation was not payable:(paragraph 2 of C.N.O. 25 of 1st February 1918 (page 20)). Subsequently, however, the Department informed the Commanding Officer, H.M.C.S."NIOBE" that he was entitled to Lodging and Compensation (page 34) and he was therefore credited same from 26th December 1917 to 15th September 1918.

From Folio 22 of this file, it will be observed that Lockington commenced Medical Treatment as out-patient to date 26th November 1917, whereas he received payment of Lodging and Compensation from "NIOBE" from 26th December 1917 only. In the absence of any contrary information, it is assumed that the difference is due to a clerical error and it is now proposed to rectify the same by issuing payment of Lodging and Compensation for period 26th November 1917 to 25th December 1917 or 30 days @ $1.05 - $31.50.

As there is no evidence available to the effect that Lockington was an out patient of a Hospital prior to 26th November 1917, he does not appear to have any claim for Lodging and Compensation prior to that date.

Referred for consideration.

Dear Sir,-

I am enclosing herewith M.F.W.2595 Form in connection with application for War Service Gratuity on account of the above noted ex-soldier. I have to advise that according to my records, he was never, whilst a member of the Canadian Expeditionary Force in an actual theatre of War, and, therefore is ineligible to receive any Gratuity from here. As it is noted, subsequent to his discharge from the C.E.F. he became a member of the R.N.C.V.R. this document is being passed to you for any action you may take in this matter.

In this connection I have to advise that there is the sum of $143.00 to be recovered from him, owing to the fact that Mrs. Lockington was paid Separation Allowance from this office from the 31st October, 1915 to the 5th June, 1916 when this account had already been adjusted by the Casualty Paymaster. This sum will have to be recovered from any Gratuity awarded him.

Re: Seaman Lockington:

Below we give you reports from No. 1 Neurological Specialist, and No. 2 Orthopaedic Specialist, regarding the marginally noted seaman. He is being returned to you herewith accompanied by these reports for your further action and disposal. We are striking him off the strength of our patients as from this date.

Major.

No. 1 Neurological report:

Out patient

This man has been on the out-patients' strength of this hospital for some months. He does not localize his pain in the course of the sciatic nerve at all. He has no atrophy, and no changes in the knee or ankle jerks. I would recommend that he be sent to an orthopaedic hospital for a report on his feet, both of which are flat. There is no necessity for him to be kept longer in this institution, for observation.

No. 2 Orthopaedic report:

He has marked falling of the arches of feet. He was ordered and is now wearing Whitman plates. I ordered him a knee support on account of a complaint of weakness and a slight laxity of joint.

In confirmation of Headquarters' telegram of the 16th September, information has been received from the Pension Commissioners that a pension has been awarded to William E. Lockington, O.S., V.R. 3653, at the rate of $60. per annum, plus an allowance on behalf of his wife and child of $21.60 per annum as from June, 1917.

2. This rating is to be discharged as from the 16th September 1918. Owing to the fact that prior to his enlistment in the naval service, he was in receipt of a pension on account of military service, his pension is antedated to the day following that on which it was stopped on account of his enlistment in the Navy. In this particular case, therefore, the ordinary rule as to discharging on day previous to the commencement of pension will not hold good.

Dear Sir,-

Replying to your letter of June 22nd, regarding the above noted man, I may say that on taking this matter up with the Naval Secretary in Ottawa, he informed me that as Lockington was an out-patient from Hospital, a Certificate from the Medical Officer of the Hospital, from which he was receiving treatment should be forwarded to you, and at the same time he should apply for allowance in lieu of lodging, fuel, light, etc.

is not re-enrolled but proceeded on leave at his own request

My letter of June 13th was written in accordance with these directions, and do now advise me that as this man was sent on leave at his own request, pending decision on the Pension Board, he is not entitled to Subsistence Allowance.

I presume that would apply to the man were he at home, and not receiving treatment, but in this case, as previously stated, Lockington has been and still is receiving medical attention, and it would therefore appear that he has a just claim to Subsistence Allowance for that period, especially in view of the fact that this allowance is always paid to members of the C.E.F., similarly situated.

Auth Officer

I would appreciate your further consideration of this matter.

With reference to your letter of the 29th May, addressed to the Chief Accountant of this Department, I am directed to inform you that in view of the fact that William E. Lockington, O.S., V.R. 3653 is an out-patient of a hospital, he should comply with the regulations of the Naval Service and forward a certificate from the Medical Officers of the hospital in which he is receiving treatment to the Accountant Officer of H.M.C.S."Niobe" in which ship he is borne for pay. He should, at the same time, apply for allowance in lieu of lodging, fuel, light etc.

Subsistence allowance and an allowance in lieu of Lodging, etc. are not synongymous in the Naval Service, the former being paid only while travelling, the later whilst not provided with official accommodation, etc. Both allowances are, of course, subject to the special rules of the Naval Service.

Under the circumstances, the Lodging and Compensation Allowance is not payable in view of paragraph 2 of the following Naval Regulations, governing these cases:

"Officers and men re-enrolled for Hospital who
"are out patients of a hospital may be paid lodging

Sir,

With reference to your letter of the 20th December, I am directed to inform you that there is no objection on the part of this Department to your proceeding to the United States. You should, however, proceed in uniform and on arrival at destination report to the nearest British Consul.

2. A communication has been received from the Recruiting Officer, Toronto, that you are in need of medical treatment. Since you are borne on the books of H.M.C.S."Niobe" and are on full pay leave awaiting pension, application should have been made to your Commanding Officer or to Headquarters, and immediate steps would have been taken to give you any treatment necessary.

I am, Sir,

Yours truly,

Memorandum:

With reference to your communication dated 27th December, addressed to the Chief Naval Recruiting Officer, relative to the medical examination of men awaiting pension, it should be noted that men are sent on leave to await pension at their own request. If they desire to remain in the ship in which they are borne, they can do so, and men in urgent need of medical treatment are not sent on leave. In the particular case mentioned by you, it is the fault of Lockington himself that he has not obtained medical treatment. No application has been made to the Commanding Officer of his ship ("Niobe"), and no application has been received at Headquarters.

2. The suggestion made by you that men leaving Halifax requiring medical attention be instructed to report "at this (recruiting) office" is quite unnecessary. If any men on leave either awaiting pension or not, require medical treatment, they should apply to the Commanding Officer of their ship or Headquarters. If application is made through you, Headquarters should be communi-

Re
W.E. Lockington,

Toronto. Ontario.

Sir :

With reference to the marginally noted man, the Naval medical examiner reported that he had heard from a very indirect source that the marginally noted man, who has been invalided from the Naval Service pending discharge, was requiring medical treatment and that rumors were being circulated as to the treatment of returned Naval Men. Doctor Rice notified me, and explained the public feeling in the district in which this man lived, and that we should endeavor to obliterate any cause for complaint on the part of the Naval Authorities.

I requested this man to report for medical examination and Doctor Rice finds that he is in need of medical treatment, he has, therefore, been sent to the Military Hospital Commissions, Toronto, for the necessary treatment required in his special case.

Respectfully submit that men leaving Halifax requiring medical attention be instructed to report at this office, to obviate any further talk on the part of the civilian populace. I beg to state for your further information, at present several men from the "Niobe" requiring medical attention are under Doctor Rice's care.

DEPARTMENT OF THE NAVAL SERVICE.

FROM	TO 32-3-2 L.6
The Commanding Officer. H.M.C.S."NIOBE". Halifax. N.S.	The Secretary. Dept.of Naval Service. Ottawa.
Reg.No. 19th.November 1917.	

Submitted with reference to Headquarters' Memo. No.32-3-2 L.6/47, dated 14th.November 1917, William E. Lockington was entered in accordance with H.Q.26-16-23 of 10th.September 1917 and 18th.September 1917, to date 18th.July 1917, and a Transfer List received from the Chief Accountant in due course.

An amended Transfer List was received 24th. September 1917 giving date for re-entry as 28th.August, and showing allotment of $18.00 charged to 31st.July and continued, and no note being made on list that - "These allotments have been stopped in accordance with Para.2 of H.Q.Memo.47-1-1 of 30th.August 1917" - there being a doubt as to allotment being in force, therefore "NIOBE" telegram of 6th.October was sent and reply received on 10th.October that allotment was stopped paid to 31st.July 1917.

Thus on 12th.October 1917 this man's account being clear, cheque for $38.00 was sent as pay from 28th. August to 30th.September 1917, and subsequently $33.00 on 8th.November for October month.

The amended Transfer List showing no balance Cr. or Dr. and as Lockington had been paid to 27th.August by Chief Accountant, this man's statement is not understood, as, in addition to the $30.00 he was advanced in "NIOBE" on 28th.July for his convenience on discharge, the July Allotment was paid,- and further any balance Cr. he may have had to the 27th.August 1917 on Overseas Ledgers.

Please find enclosed Official Cheque No. 33401 for $37.00 covering balance due on the above mentioned Separation Allowance. A deduction of $143.00 has been made, observing that you received this Allowance from the Militia Department from October 31st, 1915 to June 5th,1916, when the account had already been adjusted by the Casualty Paymaster.
